NO MINUTES

Since there was no formal meeting in July, there are no minutes in this newsletter.

SANTA FE PICNIC

The Santa Fe All Corvettes Picnic was hosted by the Old Santa Fe Trail Corvettes on July 11th. About 200 Corvettes were there, and their proud owners enjoyed beautiful New Mexico weather, good food, and lots of visiting and Corvette fellowship. It was, as usual, a huge success, and we're already looking forward to next year, which will probably be on Sunday, July 10, 2011. Thanks again to Tim, Bill, and their gang and families, and of course the mystery burger flipper.

NATIONAL CONVENTION

The NCRS National Convention was held July 13th through 18th at Concord, North Carolina. It was a long way away, and there was lots of rain and lousy roads along the way. We saw Jerry and Susan Duffey, who are charter members of our chapter and are temporarily living in Williamsburg, Virginia. Also attending were Pete Lindahl, Bill Baker, Fritz Allen, Darwin and Pat Ludi, Dan and Billie Pyzel, Rex and Linda Davis, and Dennis and Shirley Kazmierzak. Our Chapter received its certification for another year, Fritz received his 200 club judging award, and the Duffeys got a Sportsman award. This was a super convention, and the Carolina and Southeast Chapters did a fantastic job organizing and hosting the event. The hotel staff outdid themselves, the tours were great, and except for the heat and humidity it was as good as it gets. Next year's is in Novi, Michigan.

AUGUST MEETING

The August meeting will be a chapter judging meet, held at the RMCI office at 6211 Chappell Road, NE. We will have a short business meeting at 8:30 AM, and proceed immediately with the judging. Anyone planning to have a car judged is reminded to contact Bill Baker at 250-2113 immediately so he can have the proper forms on hand.

SEPTEMBER

September's meeting date is the 11th. Details are to be determined.

OCTOBER

If everything works out we will have a Red River Weekend on the 8th and 9th of October. Stay tuned.

CHRISTMAS PARTY

It isn't too early to mention this. We need someone to host this year's Christmas Party. You all know the drill, and it does seem nicer at someone's home. Please step up, you know you'll get lots of help. Call Billie at 883-0291 if you can do this. Thanks.

Western Regional Albuquerque, NM Sept 30- Oct 2

New Mexico NCRS Folks:

Things seem to be going well for our Regional, Sept 30th - Oct 2nd in terms of the preparations. We have four teams working away on planning and organization. We have about 70 registrants from all over the country; many, from Colorado and Texas. We actually have fewer than a dozen New Mexicans registered and I suppose its because coming to the Regional won't involve travel, you can sleep at home every night and it seems like registration is a long way off.

I'd like to remind you all that there is a \$75 late fee that applies on registrations postmarked after Sept 1st. I don't think there's a better time to register than now. The registration forms are in the driveline or you can download one from our great website at www.ncrsnm.com. Your registration will have the additional advantage of allowing us to make clearer plans for the many activities taking place during the Regional.

I have another request of you as well. When you register, please give thought to having your car judged. If you bring more than one car, you only pay for the first one. We'll welcome Sportsman and Founders and especially Flight and PV cars. Last year in Killeen there were 67 Flight and PV cars. So far this year we have 22. Nine of the seventeen classes are completely empty and no class has more than three cars. We need C1s, C2s, C3, and C4s. Because the event is going to be great, and overlaps the Balloon Fiesta, all of the National Team Leaders are coming and I'd really like to have something for them to do. So please bring out your cars. Certainly there's no easier way to have your car judged than a home town meet!

Although there's a lot of work to be done, I think the meet will be an especially enjoyable Regional. The site is terrific and there will be a great welcome reception. The judging will go smoothly and the awards banquet will be a great event. I look forward to seeing you all there.

Hello,

I am very excited to tell you about an interesting event coming to Albuquerque this Fall. During the first weekend of the Albuquerque International Balloon Fiesta, the New Mexico Chapter of the National Corvette Restorers Society is hosting the Western Regional Judging meet. This event attracts Corvette enthusiasts from all over the Western half of America. Some of the finest Corvettes in the country will be here to be judged for originality. It is very exciting to see a 1963 Split Window Corvette...like it looked the day it was delivered, or a 1958 fuelie, or a 1978 Pace Car.

Now, you can imagine, this event takes a lot of coordination and dollars to host. That is the purpose of this letter. We are looking for your help in hosting the event. We have several packages designed to give you exposure to this group of Corvette enthusiasts. Please take a moment to look at the sponsorships available and choose which one meets your needs best. Please make your check out to NCRS New Mexico.

If you have any questions about this event please feel free to call Fritz Allen, Event Chairman at 505 898-3121 or at fritzallen@comcast.net. Thank you in advance for your help.

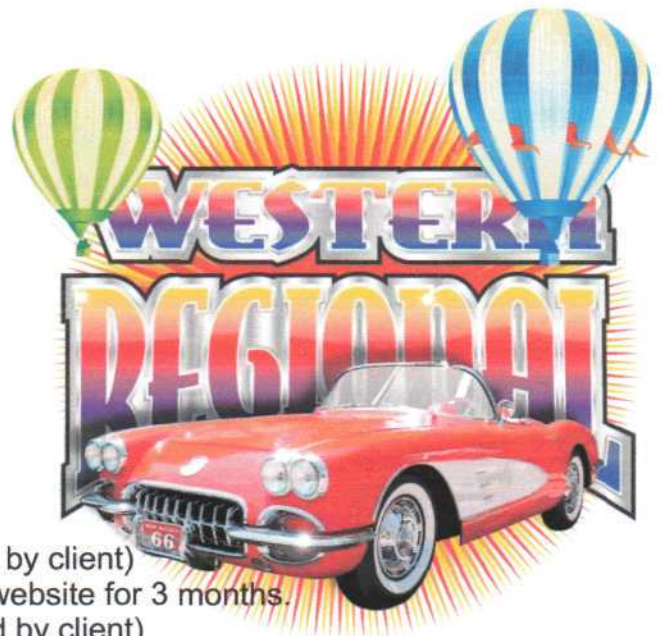

Sincerely,

Fritz Allen

P.S. Visit our website www.ncrsnm.com for more information about the club.
