DECEMBER MEETING

The December Meeting of the New Mexico Chapter, NCRS will be Saturday, December 17th at 6:00 PM. The meeting will be at the home of Rich and Dana Reif, which is at 9704 Lona Lane, NE in Albuquerque. A separate E-mail has been sent with directions and a map. Please dress warmly (you'll see why!) Items on the agenda include election of officers, discussion of next year's calendar, a donation in memory of John Pirkle, and a meeting location for January. The meeting will be followed immediately by the chapter Christmas party.

CHAPTER CHRISTMAS PARTY

The party will be done in the usual fashion, that is the Chapter will provide the meat for the main course, sodas, beer and wine, and service and utensils. Those attending are expected to bring an appetizer, salad, side dish or dessert, plus anything you wish to drink that is not on the list above. PLEASE call Billie at 883-0291 for head count and to coordinate the menu items. After the meal, there will be a gift exchange. You all will recall that the gift can be serious, humorous, or a white elephant. Also please bring a new, unwrapped toy for the Toys for Tots. Please join us, it'll be lots of fun, and don't forget to call Billie at 883-0291. Thanks and see you there.

JANUARY

The January meeting is scheduled for Saturday the 14th. The location will be announced at the December meeting and in the next newsletter.

FEBRUARY

The Chapter Spring Judging Meet is being held in February to allow time to prepare for the NCRS Tucson Regional in March.

HISTORIAN

The Chapter is seeking a volunteer to keep and maintain the Chapter scrap books. We have been without a historian for some time, and it will be fun to see what can be added to the books.

JOHN PIRKLE

The recent passing of John has affected many of our chapter members. He was a great friend, a chapter member, and made enormous contributions to the hobby. We think it would be appropriate to donate something in memory of John. Discussion will be at the December meeting.

Car has not run since 1998 (burned valve). Original engine and trans have been professionally rebuilt. I operate a small Vette resto shop and started a "frame off" restoration July 2011, with a high point Regional/National quality restoration as the goal-have presented multi cars at the National level that have received Top Flight/Duntov Mark of Excellence Awards. - **For Sale: 1999 Convertible:** NCRS Members – I am selling my 1999 C5 Corvette convertible, 6spd, in excellent condition to make room in my garage for a C6 that I bought a few weeks ago. I am the second owner and I have the original window sticker. It has a Corsa exhaust system including the X pipe, new Michelin Pilot Sport run flat tires (less than 5000 miles) and chrome wheels. I had it computer tuned with a 168 degree thermostat, programmed the fans to come on sooner and I added vented grills around fog lights to allow more air cooling. You can drive it in a parade without worrying about overheating, even in hot weather it will not get over 200 degrees. First to forth gear feature has been defeated. Only 68k miles, this is pretty low for a 12 year old car. It has always been kept in the garage and non-smoker driven. It has a clear title and has never been wrecked. When I advertise it, I will be asking \$21,000. For members and friends that are interested, I am asking \$19,000, but I will consider a reasonable offer. George Nail, in Albuquerque.
