DECEMBER MEETING

The December meeting of the New Mexico Chapter, NCRS will be Saturday, December 13th at 6:00 PM. The meeting will be at United Stone Works, Which is on the East (Northbound) frontage road of I-25. It is North of Paseo del Norte, almost to Alameda. There will be a short business meeting, followed by the Holiday party.

HOLIDAY PARTY

The Chapter will provide the meat and side dishes, so the attendees will need to provide appetizers, salad and dessert. The Chapter will also provide soft drinks and water. If you wish anything stronger to drink, please bring it. Also, bring the kids; this is definitely a family affair. Please **PLEASE PLEASE** call Billie at 883-0291 to let her know what you'll be bringing, and most importantly so we can have a head count. If you don't call, we won't know how much food to order. Thanks. After dinner, we'll have the usual gift exchange. Gifts can be serious, gag or white elephant, and the exchange will be the normal riot of theft and lies. If you're inclined, please bring a new, unwrapped toy for the Marines' Toys for Tots drive.

ALSO DECEMBER

Don't forget the River of Lights and other wonderful events during the Holidays.

JANUARY

The January meeting will be at the Hollywood Casino at San Felipe on Saturday , January 10th at 9:00 AM. Also in January is the NCRS Winter Regional in Lakeland, Florida, and the classic car auctions in Scottsdale, Arizona.

CARS FOR SALE:

- **For Sale or Trade: 1965 Corvette FI Roadster Resto-Mod.** This is a factory Triple-Black Roadster with some very tastefully done modifications that make this car a true one-of-kind. This car is equipped with a non-original small block engine and a factory mechanical Rochester Fuel Injection System. The engine was built to deliver massive torque and plenty of horse power that handles like a small block car while delivering more power than a solid lifter big block car. This is a finished show car that was built to be driven. The car is reasonably priced at less than the cost to build it. There is way too much detail about this car to list here so if you would like more information please contact Rick Jones for more information and or details about this car at 505-247-0053 or email cadiman1949@comcast.net.
