NATIONAL CORVETTE RESTORERS SOCIETY

NEW MEXICO CHAPTER

MINUTES OF PROCEEDINGS

June 8, 2013

The meeting was called to order by President, Billie Pyzel at 8:32 AM.

There were no visitors or guests

Minutes: A motion and second by Jim George and Tom Rostkowski to approve the minutes as published in the newsletter passed.

Our treasurer reported that our balance after the donation to the Prostate Cancer Support Group is \$4,072.16

Under Judging, members were told that Fritz Allen passed his PV test at the Lake Tahoe Regional.

Members were reminded that dues will be due August first.

Under Old Business, those with June birthdays were saluted, and a brief review of the chapter's upcoming events was done. Dan reported that the train ride being planned will take place on Saturday, July 20th. Also covered were the all-Corvettes Picnic in Santa Fe on July 14th, and the Chapter's twentieth anniversary party and meeting at the Goatchers' on August 10th. Steve Walker has reserved a block of rooms at the Iron Horse Motel in Durango for those who wish to take in the car show and/or a scenic drive. This is on Fathers' Day Weekend, June 14th through 16th. The Chapter charity donation to the Prostate Cancer Support Group was discussed. A letter from them has been received, and the NCRS has sent a check for \$150.00, a partial match, for us to present to the Prostate Cancer group.

Under New Business it was mentioned that the National Corvette Museum is having an observance of the Corvette's sixtieth anniversary in Bowling Green on June 28th. Also brought up was the Rio Grande Corvette Club's Make a Wish car show. This will be on Sunday, August 25th at Reliable Chevrolet. All were reminded about elections and the Christmas party. Jim George and Rex Davis made and seconded a motion to give \$100.00 to the Old Santa Fe Trail Corvette Club to support the all-Corvettes picnic in July. This passed and concluded the business meeting.

For the Tip Session, Eli Maestas brought a rear spindle from his '67 for show and tell. Owners of C2 and C3 Corvettes were reminded that this is the Achille's heel of these cars, and if these bearings ever begin to squeak tend to them at once.

Adjournment followed after a motion and second by Rex Davis and Jay Goatcher was passed.

Dan Pyzel then hosted a judging school, which was a discussion on theory and practice of the NCRS Judging procedure..

Respectfully Submitted, Dan for Jack

JULY MEETING

The July meeting of the New Mexico Chapter, NCRS will be held some time during the all-Corvettes picnic in Santa Fe. The meeting will be held either at the Hyde Park Picnic area, or at Chevrolet Cadillac of Santa Fe if the National Forest is closed because of fire danger, as it is now. An announcement will be made during the event on the PA system letting us know where and when the meeting will be. See below.

SANTA FE PICNIC

Once again this year the Old Santa Fe Trail Corvette Club is hosting the all-Corvettes cruise in and picnic at the Hyde Park picnic area on the road to the Santa Fe Ski Area. This is in the National Forest, which is currently closed because of fire danger. The alternate location is at Chevrolet Cadillac of Santa Fe, which is at 4450 Cerillos Road. If the forest restrictions are lifted, there will be an escorted caravan to the picnic area. This will leave the PERA building parking lot on Paseo de Peralta just across from the State Capitol at 9:30 AM Sharp! For those who do not prefer the caravan, you may proceed directly to the picnic area by taking Paseo de Peralta around to the Scottish Rite Temple, (the big pink building), turn right and follow the signs toward the ski area. The picnic area is about seven miles from the turn onto the road to the ski area. Free food, door prizes, souvenirs, lots of Corvettes and plenty of smiling faces. Pray for rain!!! For local folks who wish to caravan up to Santa Fe, we will meet at the entrance ramp to I-25 at the exit for the Sandia Casino (exit 234) at 7:30 AM on Sunday July 14th.

ALSO IN JULY

July also brings the NCRS National Convention, held this year in Hampton, Virginia from July 21 through 25. See the Driveline for more information, plus information on the various road tours leading to the convention. Due to various scheduling difficulties, the ride on the Cumbres & Toltec is being postponed until late September. More details will follow.

AUGUST

The New Mexico Chapter will celebrate its twentieth anniversary in August. Can you believe it!!! Jay and Loretta Goatcher have graciously offered their home for this event, which will be Saturday August 10th. As the plans now stand, we will have the meeting at 4:00 PM, and then move into a pool party and feed. The chapter will provide the food and beverage, but if you want anything beyond beer or wine, please bring it yourself. This is definitely a family affair, so bring kids, grandkids, swimsuits and so forth.

SEPTEMBER

In September we will have the Fall Chapter Judging Meet, which is scheduled for the 14th. Our annual Red River weekend is scheduled for the 27th, 28th and 29th.

GOLDEN AGE PASS

We can't imagine any of our Chapter members not knowing about the Golden Age Pass. This gets you and your partner into anything Federal free. National Parks, National Forests, National Monuments, the works. Free for the rest of your life. Anyone age 62 and older. Buy them at any National Visitor Center. No more paying \$4.00 to park at the Sandia Crest. This really works, so don't miss out.
