Judging Report: Bill Baker reported that we will have a judging at the May meeting. The Colorado Regional is June 5,6, and 7. The National Convention is in Kansas City and will be July 13th - 17th. We have approximately 15,000 members.

The road tour headed to the National Museum will be in Albuquerque the 23rd of August at the Crown Plaza Hotel.

MARCH MEETING

The March meeting of the New Mexico Chapter, NCRS will be on Saturday, March 8th at 8:30 AM. The meeting will be at Fiesta's Restaurant on the Southeast corner of Carlisle and Montgomery.

APRIL

In April we'll have our Spring Highway Cleanup session on old Route 66. We will meet at the grant headquarters just East of Carnuel on NM Hwy 333 at 8:30 AM on Saturday April 12. Those wishing to help know the drill. Thanks.....

MAY

In May we will have a Chapter Judging meet on May 10th. The location has not been determined, but further information will be forthcoming. Anyone wanting their car judged needs to contact Bill Baker at 250-2113 so he can have the paperwork in hand. Also in May is the NCRS North central Regional in Rochester, MN on the 15-17, and the Albuquerque Museum Car Show on Sunday the 18th.

JUNE

June brings us the NCRS Rocky Mountain Regional in Loveland, CO on the 5th, 6th and 7th. Our regular Chapter meeting date is Saturday the 14th.

SANTA FE PICNIC

At the February meeting, Tim Alton announced that the annual all-Corvettes picnic hosted by the Old Santa Fe Trail Corvettes will be moved from July to August 3rd. This is a good solution to several problems. We should be free from the fire closures, the weather should be better, and this date does not conflict with the NCRS National Convention. The same format at the same location should give us the same good times.

NATIONAL CORVETTE MUSEUM

The sinkhole disaster at the Museum is being dealt with. Several of the cars have already been removed from the hole, and the recovery should be completed shortly. Early reports indicate that it will cost about \$800,000. to repair the damage to the building. This will mainly involve many truckloads of concrete to fill the hole and stabilize the foundation and floor. An appeal for donations is being made to all NCRS Chapters, with the proviso that the National NCRS will match the donations from the Chapters.
