OCTOBER MEETING

The October meeting of the New Mexico Chapter, NCRS was the Route 66 Highway Cleanup. Three people showed up, so the cleanup was cancelled. The highway looked pretty clean anyway because the crews cleaned up after the recent construction. A brief run through of the agenda was done, and no action was taken on any of the agenda items. The meeting was adjourned at 8:50 AM. The November meeting will be a judging school, and will be held at Rick Jones' shop. The meeting was scheduled for 8:30 AM on Saturday the 8th, but this since been changed to Saturday the 15th.

The foregoing will serve as the October meeting minutes.

NOVEMBER

As mentioned above, the November meeting will be Saturday the 15th at 8:30 AM at Rick Jones' shop. This is at Third Street and Constitution NW. A judging school will be held immediately after the meeting.

DECEMBER

December will bring the year end meeting and the Christmas Party. This will be at United Stone Works on the East frontage road between Paseo del Norte and Alameda. The meeting will be at 6:00 PM and the party will start immediately after. Once again, the chapter will provide the main course, and the guests are asked to bring appetizers, salad and dessert. Please call Billie at 883-0291 to coordinate and provide a head count. The customary gift exchange foolishness will follow.

JANUARY

The January meeting is scheduled for the 10th. Details will follow. January also brings the auto auctions in Scottsdale and the NCRS Winter Regional, which will be in Lakeland this year. See the coming events.

CARS FOR SALE:

- **For Sale or Trade: 1965 Corvette FI Roadster Resto-Mod.** This is a factory Triple-Black Roadster with some very tastefully done modifications that make this car a true one-of-kind. This car is equipped with a non-original small block engine and a factory mechanical Rochester Fuel Injection System. The engine was built to deliver massive torque and plenty of horse power that handles like a small block car while delivering more power than a solid lifter big block car. This is a finished show car that was built to be driven. The car is reasonably priced at less than the cost to build it. There is way too much detail about this car to list here so if you would like more information please contact Rick Jones for more information and or details about this car at 505-247-0053 or email cadiman1949@comcast.net. (11-14)
